[DWA Data Cleansing Service](#)

[Don't be victimized by Anti Spam Organizations](#)

DWA Data Cleansing Service specializes in combating these types of entities.

[Eliminate 99.999% of Complaints and Traps Guaranteed](#)

DWA Data Cleansing Service is performed with a state-of-the-art system with artificial intelligence.

[Constant Ongoing Technology Development](#)

Over 13 years of continual development has created complex sophisticated technology, rather than a simple basic filtering system. This system is continually perfected on a real time basis.

[Can Spam Compliant](#)

DWA Data Cleansing Service is Can Spam Act of 2003 Compliant!

[Virtually Eliminate Spam Traps](#)

Fresh and legacy data is full of spam traps. Complainers know where to fill out the web forms to create spam traps.

[Virtually Eliminate IPs from being Blacklisted](#)

DWA Data Cleansing Service is committed to keeping your data as humanly and technically clean as possible to help stop IP blacklisting.

[Virtually Eliminate Domains from being Blacklisted](#)

Stop buying hundreds of unnecessary domains.

[Virtually Eliminate Delivering to Illegal Domains](#)

Certain domains are known to cause you to get blacklisted, lose your servers, get fined or sued; and specified domains are not to be emailed to period.

[Increase Deliverability and Decrease Undeliverables](#)

DWA Data Cleansing Service can drastically increase your probabilities of higher deliverability up to 33%.

[Take out the Trash](#)

DWA Data Cleansing Service only suppresses the troublesome records.

[Keep the Records that Make Money](#)

DWA Data Cleansing Service does not use unsubscribes or global removes because losing one good record is one too many.

[De-Dupe ANY File Size](#)

DWA Data Cleansing Service has NO LIMITATION on the file sizes when de-duping your files into one master database.

[De-Dupe ANY Amount of Files](#)

DWA Data Cleansing Service has NO LIMITATION on the number of files when de-duping your files into one master database.

[Custom Criteria Services](#)

Use ANY size suppression file, suppress ANY custom criteria, or tell us what you want or how you want the master database.

[Percentage of data that will be suppressed](#)

Clients lose the most data due to duplicates. Most clients only lose .05% to 25% depending on the integrity of their data.

[Client data is safe and secure with us](#)

DWA understands your data is the life blood of your business, therefore we take a fanatical approach to safeguard the security of your records and can provide a contract that protects your data.

[FAQ's](#)

[Servicing almost 250 satisfied clients and growing daily](#)

Scrub your data on a daily, weekly, bi-weekly, monthly or on an "as needed" basis. No long-term commitments, however limited client availability applies.

[Blazing Fast Service](#)

Same day or 24 hour turnaround

[Supply data to us by FTP, CDs, DVDs, or send us an entire hard drive.](#)

[DO IT ALL WITHOUT SENDING ANY EMAILS - REAL TIME DATA HYGIENE](#)

Have your daily feeds or smaller files scrubbed immediately with our NEW Automated System!

26M to 50M - \$300 USD Per Million

Tired of Losing Money To Complaints?

We Have the Answer!
**PRICING
PRICING**

How much MONEY is troublesome data costing you every day?

A lot more than you might think. Troublesome and useless data will create havoc on your servers, domains, network, IP blocks etc. You can reap more RESULTS from your labor only if you catch the problems now, instead of dealing with them later.

Stop Losing your Mail Servers

Find a permanent home for your e-mailing solutions. Stop losing the cumulative effect of your mailings. Trouble free data is becoming both essential and mandatory as well as the standard in the email marketing industry. Be responsible. Don't send emails to those who will complain and cause you major problems. Have your records Cleansed and Certified today!

DWA Data Cleansing Service is a one of a kind revolutionary new approach to cleansing opt-in records

This system is based on 13 years of knowledge and experience working with data. There is no comparable system that can even come close to the sophistication, experience, and expertise.

The industry standard normally uses a basic filtering system

The DWA Cleansing Service uses many complicated processes and takes data hygiene to a whole new level utilizing artificial intelligence and many more complex and revolutionary techniques.

We specialize in and cater to the industry needs of:

List Managers, Data Centers, Email Service Providers, EMail Software Companies, EMail Marketers, Lead Generators, Autoresponders, Affiliate Companies, etc.

We can also act as a 3rd party "clean up service"

Used before you purchase data, to assure you are buying "unique data". Stop paying for troublesome, unuseable data or data you already have. We help solve these problems and more.
